CLUB CHAMPIONSHIPS 2019

Sunday 16th June to Sunday 30th June
CONDITIONS OF ENTRY

The Club Championships 2019 starts on Sunday 16th June. Players will need to be available for the majority of the 2 weeks as I schedule all of the matches. You won't however play every day and the amount you play will also depend on the number of events you enter. Most matches will be played in the second week however some matches might be played during the first week depending on the size of entry. All Main events will be played in the evenings and if players are available Senior Events will be played during the afternoons.

All semi finals will take place on Saturday 29th June with play commencing at 09.30 a.m

Finals Day will be Sunday 30th June with play commencing at 09.30 a.m. All finals have to be played on this day, both Main draw and consolation events.

Finalists should be prepared to play at any time during the day if required by bad weather conditions.

All entrants must be 14 years of age or over in 2019

The players` responsibilities are:

To be free to play at the time agreed with the referee and to provide balls for their matches. Hosting balls will be available to be used if required and New Balls will be used for all Semi Finals and Finals.

Entries on the enclosed form with correct fees should be posted in the red Head Coach Box, which is situated next to the pigeonholes by the main entrance. Closing date is midnight on Monday 27th May. Only completed entry forms with appropriate fees will be accepted, late entries by any means will not be allowed.

The Tournament will be conducted under the Rules of Lawn Tennis and the Rules and Regulations of the LTA. Each match will be the best of 3 sets with tie breaks in all three sets at 6-6.

The Referee of these Championships is Andrew Cook, 07940 419655. For all matters relating to this Tournament the Referee's decision is final.

The draw will be posted on the notice board by Saturday 8th June with timings for each round/event. These timings must be stuck to unless in exceptional circumstances as we only have 2 weeks to get the events played in.

Players who lose their first match will be entered into a consolation event where numbers allow.

MEN'S SINGLES

The Men's singles again this year will be split into different sections with each section having it's own final. Which section you are in will be decided on LTA rating/ability. All semi-finalists will move into the next section but will still play the semi finals/finals in their own section also. If you move from one section to another but lose your first match in that section you are not eligible for the consolation event in that section.
