

Ava's Ride to Paris

8-year-old Ava is cycling to Paris from Littlehampton a total of 180 over 6 days starting on 17th August.

She is raising money for her some new climbing equipment for her School

Rustington Community Primary.

Her second chosen charity is Ferring Country Centre as she loves animals and wants to help the clients gain work experiences.

If you see her around the club, please chat to her about her training and the journey she is taking as she is very excited.

She can't wait to go up the Eiffel Tower when she arrives.

Thank you for your support. Ava and Claire
